the category should be renamed “all of the movies that didn’t make people want to rip their eyes out in disappointment”;

cigarettes and, in fact, could be more harmful -- and that the defendant tobacco company was aware of this.

all subjects were on a reduced potassium diet regimen

they do a lot of good, employ a lot of people,” said bened

she tries to stretch every day and even has a car seat cover with heat, massage and magnets

find myself becoming aware of not being aware (funny) no one seemed to notice this, so it must have been
